Claims Operations & Settlement — First Notice of Loss

Claim ID:	CLM014
Policy ID:	POL245
Policyholder:	Zara Murphy
Coverage Type:	Auto
Date of Submission:	January 31, 2025
Assigned Adjuster:	Emma Andersson (Standard Claims)
Claim Amount Requested:	\$9,912.00

Description of Incident

On the evening of January 29, 2025, the policyholder's vehicle was struck from behind while stopped at a traffic signal on Route 9. The other driver acknowledged fault at the scene. The impact caused visible damage to the rear bumper, tail light assembly, and trunk panel.

No injuries were reported by either party. The policyholder's vehicle remained drivable and was taken to an approved body shop for a repair estimate the following day.

Damage Summary

- Rear bumper cover: cracked, requires replacement.
- Left tail light assembly: shattered, requires replacement.
- Trunk lid: minor deformation, requires panel repair and repaint.

Policyholder Statement

"I was completely stopped when the other car hit me from behind. There was no way to avoid it. The other driver apologized and admitted it was their fault."
